

# Want to change your current Medicare Advantage plan?

## Now's the time to switch!

### Medicare Advantage Open Enrollment Period

**Jan. 1, 2026 - March 31, 2026**

Reasons you may want to change to a different plan:

- Your preferred doctor does not accept your current plan.
- Your plan does not cover your prescriptions.
- You prefer a plan with lower co-pays.
- You prefer Original Medicare over Medicare Advantage.

**To switch to a new Medicare Advantage plan**  
Join the plan you choose. You'll be disenrolled automatically from your old plan when your new plan's coverage starts. Only one change is allowed during Medicare Advantage Open Enrollment.

**Note:** *You must be enrolled in Medicare Advantage on Jan. 1 to make a switch. You cannot switch from Original Medicare to Medicare Advantage during this period.*
