- **Cardiology:** Monthly on-site clinic; schedule through Pulse Cardiology
- **EMS:** Available 24/7 for emergencies and interfacility transfers

### Providers in the Rural Health Clinic

Caylon Haggard, PA-C, brings over 17 years of experience in rural and urgent care medicine and holds degrees from the University of Oklahoma Health Science Center and the University of Oklahoma College of Medicine. Originally from rural Oklahoma, Caylon previously owned a small chain of urgent care clinics before relocating to Washington with his wife and twin daughters.

Brandi Eppers, NP, is an experienced nurse practitioner with over 10 years in inpatient, emergency, urgent care, and family practice settings. She holds a BA from Mississippi State University and a Master's in Family Practice Nursing from the University of Mississippi Medical Center. With a strong clinical background, she provides patient-centered care for both acute and chronic conditions.

Timothy Crouch, ARNP, has over 20 years of experience in emergency medicine, family practice, and critical care. He earned his MSN from Walden University and his nursing degree from Wenatchee Valley College, and holds ACLS and PALS certifications. He is committed to providing high-quality care to patients and families throughout Central and Eastern Washington.

**Under this clinic structure, one provider will be on-site at a time, with all three rotating throughout the week to maintain coverage. These providers will serve in this capacity on an interim basis while we continue our search for a permanent provider who can best meet the long-term needs of our clinic.**
